Transient Occupancy Tax Report

Second Quarter 2015

February 2016

The Sonoma County Economic Development Board (EDB), in partnership with Sonoma County Tourism (SCT), is pleased to bring you the 2015 second quarter calendar year (CY) Transient Occupancy Tax (TOT) Report. The analysis drafted by the Sonoma County EDB is based on reports from each jurisdiction within the county.

The report covers the county's TOT revenues, compared with Sonoma County's historical CY numbers, as well as the accommodation development for April, May, and June of 2015.

Highlights from Second Quarter Transient Occupancy Tax Report Include

- Sonoma County's revenues for second quarter 2015 increased 11% over second quarter 2014. Second quarter 2015 TOT revenues are the highest first quarter revenues since 2008, and in many cases the best that have ever been recorded.
- All Sonoma County Cities experienced increased year-over-year TOT revenue for second quarter 2015. Cloverdale had the largest second quarter increase at 25%. Santa Rosa had the second largest quarter-over-quarter increase at 14%.
- All cities recorded their best second quarter TOT revenues to date. This reflects improving economic conditions and highlights Sonoma County's growing popularity as a tourist destination.

Seasonally Adjusted TOT Revenues

By Calendar Year Quarter 2004-2015

This section analyzes the quarterly TOT trends for the aggregated city and unincorporated areas from first quarter calendar year (CY) 2004 through second quarter (CY) 2015.

Summary of Findings:

- TOT Revenues grew steadily with significant increase between 2005 and 2007. Revenues decreased in 2008 and continued to do so into fourth quarter 2009. TOT revenues started to show growth in first quarter 2010 and show consistent increasing trends through second quarter 2015.
- The general trend in TOT revenues since 2004 reflects Sonoma County's popularity as a tourist destination and the strength of local lodging properties' average daily occupancy rates. Recent growth rates continue to exceed those from 2005-2008, prior to the economic downturn.
- The significant dips in TOT revenues between 2008 and 2009 and between 2011 and 2012 can be attributed to decreased tourism worldwide in response to a weakening economy and/or reactions to specific events such as the global recession in 2011.

Annual TOT Trends

Annual Percentage Change 2013-2014 (Calendar Year)

This section shows the annual percentage change in TOT revenues based on the most recent annual data (calendar year).

Summary of findings:

- From 2013-2014, all cities (except Cloverdale) and unincorporated areas of Sonoma County experienced positive growth in annual TOT revenue. The overall growth rate for the entire county for 2014 over 2013 was 11%. This would indicate that overnight travel continues to grow in Sonoma County.

Annual City & Unincorporated TOT Receipts

Total City & Unincorporated TOT Receipts 2011 - 2014

This section analyzes the year-over-year TOT revenue trends for each city and the unincorporated areas from calendar year (CY) 2011 - 2014.

Summary of Findings:

- The county as a whole experienced significant growth in year over year TOT revenues in 2014. County TOT revenues experienced a 11% growth from \$27.05 million in 2013 to \$30.1 million in 2014.
- Sebastopol experienced the greatest growth with a 19% increase from \$352 thousand in 2013 to \$421 thousand in 2014. However, the unincorporated areas and Santa Rosa had the highest revenues at \$11.8 million and \$4.8 million, respectively.
- It is important to note that travel to Sonoma County is cyclical and third quarter (July, August, September) provides a disproportionate share of Sonoma County's TOT revenues.

TOT Historical Percentage Breakdown by Area

Breakdown by Area for Past Four Quarters

Sonoma County TOT Spending

- TOT tax revenues are derived from a 9.0% tax on the rental of hotel and motel rooms, inn beds, and campgrounds in the unincorporated areas. (Revenues derived from this tax are subject to the Proposition 4 limit.)
- The proposed budget reflects the continuation of the Board of Supervisor’s policy that 75% of the tax proceeds be allocated to the advertising fund and 25% of the proceeds be allocated to the county general fund.
