

## Template for Developing a Narrative Description for each Site

Title of Section	Guiding Prompt/Question
<b>Site Name and Location</b>	Provide the specific name and geographical location of the site. Include the jurisdiction responsible for the site. Offer the committee's initial impression?
<b>Community and Historical Significance</b>	Provide an overview of the site's historical or cultural significance, especially concerning the fires. Potentially present how elements from other successful memorials are reflected in this site.
<b>Local Environment</b>	Provide a description of the environmental setting of the site. Describe how it integrates with or stands out in the local landscape.
<b>Social Fabric</b>	Describe the site's place within the social fabric of the community. How close is it to community centers, schools, or other social landmarks?
<b>Storytelling Potential</b>	Explore the site's potential to tell the story of the fires and the community's response. Where possible, describe how the layout, natural features, or existing structures could contribute to this storytelling.
<b>Symbolic Elements</b>	Identify any natural or architectural features of the site that could hold symbolic meaning or be incorporated into the memorial's design. What insights or quotes from community members or stakeholders highlight their connection or feelings towards the site?
<b>Potential for Commemoration</b>	Where possible, describe the opportunities that exist for the site to host community gatherings, ceremonies, and memorial events.
<b>Interplay with Existing Features</b>	Describe how adaptable the site is for various memorial elements like walkways, seating, and landscaping (recognizing that we don't yet know the type of art or the exact location)
<b>Overall Suitability</b>	Offer a concluding statement on the overall suitability of the site. Describe how well it fulfills the memorial's objectives and resonates with the Fire Memorial Task Force. Provide our vision for the site's evolution into a meaningful and impactful memorial space.
